

Cara Muhlenkamp (Mercer County Fair, Ohio) – "I am so happy that I applied for the YPI Zone 3 scholarship. Attending the IAFE Convention was an amazing experience. I feel that the amount of information and knowledge that is at the IAFE Convention is so valuable. It was so important and easy to jump into networking with all the individuals at the convention. All of the various topics provided as training sessions was great but overwhelming. I really wish I had been cloned for the convention."

Bryan Schulz, CFE (Red River Valley Fair, North Dakota) – "Education is the lifeblood for continued growth in a person's quest for job advancement and the Red River Valley Fair Association board and management believe this whole heartedly. We see the courses offered through the IAFE as being major factors in our staff's advancement and our boards overall knowledge of the Fair industry."

We are a midsize Fair with a limited budget for education but believe if we want to keep good people, we need to invest in their future by giving them all of the necessary tools to perform their daily duties and work for possible advancement."

Tricia Rosendahl (Wright County Fair, Iowa) – "I have attended all of these meetings and conventions on my own dollar, but the benefit is huge for me. I feel more confident in what I do every day knowing that others are out there with the same goals, frustrations, and excitements. I will continually highly recommend this organization to my fair board. There is always more I can learn!"

About the IAFE

The International Association of Fairs and Expositions (IAFE) is a voluntary, non-profit corporation, serving the interests of agricultural fairs, shows, exhibitions, and expositions of diverse size and scope around the world. IAFE associate members include non-agricultural festivals, associations, and organizations engaged in providing products and services to other IAFE members. The IAFE is dedicated to the promotion of members' interest in educating the general public on agriculture and agricultural issues.
